2022 CFMOTO CFORCE 600 TOURING 4X4 EPS

2-Up Full-Size All-Terrain Utility • Two-Passenger Dialogue / Camera Chase Rig / Tactical Patrol

VEHICLE IDENTIFICATION:	**2022 CFMOTO CFORCE 600 Touring**	**CHASSIS VIN:**	**LCELDUZB1NT001502**
FLEET CLASSIFICATION:	2-Up Touring All-Terrain Vehicle (ATV)	**LIVERY / FINISH:**	Royal Blue Gloss / Black Composite Trim
DISPLACEMENT / OUTPUT:	580cc EFI • 41 HP • 36.8 lb-ft Torque	**DRIVETRAIN & STEERING:**	On-Demand 2WD/4WD w/ Diff Lock • Multi-Mode EPS
OPERATIONAL STATUS:	Turnkey / Fully Inspected / Camera-Ready	**PRIMARY PRODUCTION ROLES:**	2-Person On-Camera Scene, Camera Chase Rig, Rescue Unit

1. MECHANICAL SPECIFICATIONS & POWERTRAIN

SYSTEM	FACTORY SPECIFICATION	ON-SET & OPERATIONAL NOTES
Engine Architecture	580cc Single-Cylinder, 4-Stroke, SOHC, 4-Valve	Liquid-cooled with auxiliary oil cooler; exceptional thermal stability during idle/lighting holds.
Fuel Delivery & Ignition	Bosch® Electronic Fuel Injection (EFI) w/ Ride-by-Wire	Linear throttle response essential for smooth tracking shots and matching camera vehicle speeds.
Transmission & Clutch	CVTech® Automatic (P / R / N / H / L) w/ Engine Braking	Integrated electronic engine braking ensures controlled downhill tracking on steep terrain.
Drive System	Selectable 2WD / 4WD w/ 4WD Front Diff Lock	Instant handlebar toggle switch to lock traction across wet asphalt, loose rock, or sand.
Power Steering (EPS)	Electronic Power Steering (EPS) Multi-Mode Assist	Effortless low-speed maneuvers for talent; prevents steering whip in rutted tracking corridors.
Cooling & Fuel Capacity	High-Output Radiator • 4.75 Gallons (18.0 Liters)	Delivered with full tank (93-Octane Premium). Long range for all-day off-grid filming days.

2. DIMENSIONS, CHASSIS & TRANSPORT LOGISTICS

METRIC	DIMENSION / RATING	TRANSPORT & CLEARANCE GUIDELINES
Overall Dimensions	90.5" L × 48.0" W × 56.7" H	Extended touring chassis; accommodates 2 full adults with complete production gear.
Wheelbase & Ground Clearance	Wheelbase: 58.0" • Ground Clearance: 10.6"	Extended wheelbase provides maximum pitch stability during acceleration and hard braking.
Curb Weight	915 lbs (415 kg)	Heavy, grounded footprint that absorbs trail chatter for stabilized gimbal or handheld tracking.
Suspension Setup	Double A-Arm Independent Suspension (Front & Rear)	Preload adjustable hydraulic coil-overs tuned to maintain chassis composure under heavy camera rigs.
Tires & Wheels	25" Heavy-Duty All-Terrain Tires on 12" Aluminum Rims	Aggressive directional knobby tread; prepped in optical matte showroom dressing.
Braking System	4-Wheel Hydraulic Disc Brakes w/ Park Lock	Precision modulated stopping power for repeated scene mark rehearsals and stunt resets.

CAMERA RIGGING, TOWING & 2-UP PASSENGER CAPABILITIES

• **Integrated 2-Up Passenger Station:** Equipped with an ergonomically contoured raised passenger seat, full backrest, and integrated grab handles—ideal for two-actor dialogue scenes, rear-facing camera operators, or sound boom technicians.
• **Front Electric Winch:** Factory installed 3,000 lb electric winch with steel cable and roller fairlead (functional for self-recovery or tactical prop set dressing).
• **Towing Capacity & Receiver:** Standard 2-inch receiver hitch rated for **1,000 lbs towing capacity** (excellent for towing lightweight sound carts, lighting packages, or process trailers).

• **Composite Heavy-Duty Cargo Racks:** Steel-reinforced composite racks • **Front: 100 lbs** • **Rear: 150 lbs** capacity. Pre-drilled and flat-profiled for cheese plates, hardpoint suction mounts, and battery cages.

ON-CAMERA SCRIPT & PRODUCTION ROLE CLASSIFICATIONS

• **Hero Dialogue** / **Duo Riding:** 2-person hero vehicle for outdoor adventure, couples/duo escape scenes, tactical buddy teams, or law enforcement partner patrols.
• **Behind-the-Scenes Remote Camera Platform:** Dedicated camera operator seated rear-facing on the raised touring backrest for smooth, backward tracking chase shots.
• **Contract Compliance:** Governed by **Form SPC-01** (Master Picture Vehicle Rental Agreement) or **Form SPC-02** (Stunt & Precision Addendum) with mandatory $1,000,000 CGL coverage naming Snowstorm Picture Cars LLC as Additional Insured and Loss Payee.
